Dear Prof. Hausen,
Dear Dr Winnepenninckx,

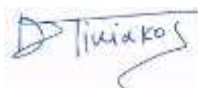

It is our pleasure to inform you on behalf of the European Society of Pathology (ESP) that your Centre has officially been selected as “**ESP Advanced Training Centre for Dermatopathology**”.

The ESP is confident that your centre will help advance pathology by offering the applicants of the Giordano Fellowship all training and educational support needed in the above specialty.

Should you have any questions, please don't hesitate to contact ESP.

Thank you for your continued support of the ESP.

Sincerely,

Prof. Dina Tiniakos
ESP President
